

Kids Club Intent Form

Kid's Club is an afterschool program for preschool and pre-k students. It is available Monday - Friday, 12:30-3:00 when preschool and pre-k is in session. You can find us in the pre-k classrooms. SignUpGenius.com is used for signing children up.

There are two ways to sign up for Kids Club.

1. If you will be using Kids Club on a regular basis please fill out this intent form, a registration form and pay the registration fee to receive a lower hourly rate. Your child will be signed up for the days indicated for the year. You may change this at any time during the year.
2. If you will be using Kids Club occasionally, please indicate on this form. You will receive an invite from SignUpGenius.com to add your child's name on days where space is available.
