

# Our Lady of the Lake Auction

## OLL families it's time to get ready for the 2018 Auction!

April 28, 2018 is our **Gala Auction**. Our theme this year is Totally 80's. We will also host an after auction 80's Prom Party.

Our auction generated net proceeds of \$206,000 with funds going towards the general operating budget, tuition assistance, new school doors and professional development for our staff. Each K-8 family is obligated to donate or procure an item totaling a **minimum of \$250**. Families can contribute in a variety of ways:

## How you can HELP!

- Reach out to your community of friends, family members, and businesses to ask for donations to sell at the auction.
- You can also make personal donations of cash, goods (**only new, nothing used**) or services.
- Does someone you know own a business? Ask them to sponsor our school auction. Each business that sponsors receives recognition in our auction catalog as well as an ad.
- Visit our **Amazon Wish list** for procurement ideas
- Want to offer a truly unique procurement item host a party with other OLL families.

**Now** is the time to begin procuring your donations. Procurement forms can be picked up in the front office.

**The early Procurement deadline is Friday, February 2, 2018.**
