

November 8, 2017

Dear Community Member,

We are kicking off our 2018 Annual School Auction. The theme for this year is "Totally 80's". We are asking for your support in order to reach our goal of \$300,000. Our auction this year will be held on April 28, 2018. We are reaching out to businesses and individuals in our community, like you, that our Laker community supports.

For over 60 years Our Lady of the Lake Parish School has been providing excellence in education for Preschool through 8<sup>th</sup> Grade Children in Northeast Seattle. OLL is well known for our academic excellence and extracurricular programs. A huge part of OLL is outreach to our community which is an essential and important component to our academic program. Our students give to the community through service hours.

Our mission is successful in large part through the generous support of local businesses, such as yours, and community partners. Funds raised through our annual auction have significantly contributed to the school's operating budget, provided multiple school wide advanced technology enhancements, supplied necessary updates to the core curriculum, and most importantly provided tuition assistance to school families in need. With your help, we can continue to support the current 272 children who attend our school and future students in years to come.

We are kindly seeking donations, including merchandise and gift certificates for products or services, to include in our silent and live auctions. Please note that our deadline to receive donations is February 28, 2018. Your donation is 100% tax deductible.

Our school wouldn't continue to prosper without the generous donations of people and businesses like you!

Sincerely,
